

Hello Heritage!

Although Mother Nature seems to be teasing us, I think it is safe to say that Spring is officially here... or will be shortly. As the landscape changes to a warm, bright and colorful community we would like to bring everybody together and seize this opportunity to emphasize **taking pride** in your neighbourhood, your Heritage at Parsons Creek.

Pick up & Pitch in

We need to remember that this is **OUR community** and we are **ALL responsible** to keep it clean. Let's come together and take pride in this community. Work as a team to not only clean up Heritage at Parsons Creek but also **maintain** a high level of cleanliness moving forward.

On our end, we will continue to work with our builders to ensure that all garbage and construction debris is kept to the specific lots. If you are a private builder, please ensure you respect your neighbours and keep all garbage to a minimum. If you see any dumping or safety concerns please record the lot number or address of the site, if possible take a picture and **send it to Stephen Chipchase** at Stephen.chipchase@woodbuffalo.ab.ca and CC collette.lofton@rohitgroup.com.

Your Heritage at Parsons Creek

We want to hear from you! Tell us how you make Heritage at Parsons Creek your community, and why you are proud and happy to be living here. Include a photo of yourself with your response for the chance to be **showcased** on our Facebook and web pages! Send all submissions to marketing@rohitgroup.com

Stay Informed!

To stay up to date on Heritage at Parsons Creek news and updates visit HeritageAtParsonsCreek.com, sign up for our newsletter or **join us on FaceBook**.

Garbage Removal

A reminder that every Tuesday we have a garbage bin delivered to the corner of Blackburn Drive and Dixon road for RESIDENTIAL GARBAGE ONLY. The bin will be removed the next morning by 8:00am. Please **drop off and dispose of all household garbage here** and keep an eye out for any person(s) dumping non-residential garbage. If you happen to see any mis-use of the garbage bin, please make note of it and send the information to stephen.chipchase@woodbuffalo.ab.ca and CC.collette.lofton@rohitgroup.com. On a related note, we have street cleaning planned for the end of May.

Events in the Area

- Register for Fort McMurray Spring/Summer Minor Softball until April 15th.
- April 5th, 10am – 3:30pm Fort Mac Hand Crafted Market, Westwood High School. Come browse what friends and neighbours are making here in Fort McMurray every day such as jewelry, baking, knitting etc.
- April 13th, 10am SPCA 3rd Annual Walk to Stop Animal Abuse – Trail walk to raise awareness of animal abuse and what we can do to end suffering. Kids, families, friends and dogs are all welcome

Wildlife in the area

Bears in the area are coming out of hibernation and they are hungry. To keep the community safe, let's make sure that all **garbage is kept tucked away** until the bins arrive on site.

Stage 3 Lots

Stage 3 lots have officially been released to our community builders. Currently, no lots are released to the public, so if you are interested in building in Stage 3 please go through **our builder group** to do so.
